## **Senior Business Analyst - Performance Measurement**

**Alberta Investment Management Corporation (AIMCo), Edmonton.** You will be responsible for leading several projects and initiatives in enhancing the capacities of the Performance team. You will improve the process and data analytic functionalities of the performance department and review options for performance measurement engines, many of which are medium and long-term projects.

To be successful in this position you will require a solid understanding of financial markets, knowledge as well as experience dealing with complex investment instruments, strong analytical, problem-solving and facilitation skills and the ability to establish effective working relationships. Your excellent communication and the ability to work in a dynamic team environment are essential.

### **Qualifications:**

- University degree or related certifications supplemented by 3 to 5 years of experience in Investment Operations / Analytics, preferably those in or related to performance measurement.
- Strong project management and business analysis skills. Experienced in developing business requirements, selecting and communicating with external vendors, implementing, and testing system solutions.
- Expertise in implementing or working very closely with fixed income and equity attribution. Experienced in processing derivatives into the attribution / analytic system to produce proper analytic outputs.
- Solid understanding of data architecture and processes of performance measurement, as well as core operation functions like pricing and portfolio accounting. Experience with Sylvan Performance engine is an asset.
- Sound understanding of financial markets, security analysis, and investment strategies.
- Experience in implementing GIPS compliance is a definite asset.

**NOTE:** Final candidates will be asked to undergo a security screening, which includes a credit bureau and a criminal record investigation, the results of which must be acceptable to AIMCo.

**Location:** Edmonton  
**Salary:** AIMCo offers a competitive compensation and benefits package.  
**Closing Date:** **Until Filled**  
**Competition No.:** **10039C**

**TO APPLY for the above position:** Email applications are preferred. To apply send your resume and cover letter to [careers@aimco.alberta.ca](mailto:careers@aimco.alberta.ca). Please quote the competition number and the position you are applying for when submitting your application. If you are unable to apply by email, submit your application to the contact noted below.
