

Portfolio Manager – Money Market

Alberta Investment Management Corporation (AIMCo), Edmonton – You will apply your extensive knowledge of money markets, credit, yield curves, repos, derivatives and currencies to research and implement trade strategies to add value to benchmarks for short-term fixed income portfolios. You will be a key member of the money market trading team and must be decisive, proactive, and skilled at managing multiple demands simultaneously within tight time schedules. Your excellent analytical skills, meticulous attention to detail and initiative will allow you to manage liquidity and risk while providing attractive relative returns and other services to a wide range of investment partners.

To be successful in this position you will require strong problem-solving, decision making and facilitation skills and the ability to establish effective working relationships within the organization and externally. Your excellent oral and written communication skills and the ability to work in a dynamic team environment are essential.

Qualifications:

A university degree in Finance, Mathematical Finance or equivalent, supplemented by at least 5 years of investment experience especially in foreign exchange and money market and short-term bond markets is required. Completion of the CFA designation, experience with analyzing curve trade opportunities and trading and analyzing money market derivatives and repos are highly desired attributes.

NOTE: Final candidates will be asked to undergo a security screening.

Location: Edmonton
Salary: AIMCo offers a competitive compensation and benefits package, including the potential for a performance based bonus.
