

Senior Credit Analyst

Alberta Investment Management Corporation (AIMCO), Edmonton –

AIMCo is an Alberta crown corporation managing investments of approximately \$70 billion on behalf of a number of public sector pension, endowment and special purpose funds held across a wide variety of asset classes.

Working in a team-based environment, you will use your understanding of quantitative and qualitative approaches to provide credit analysis and credit insights for various domestic and international companies and industries in the fixed income portfolios. Performing independent research, you will develop an in-depth knowledge of the companies held in the portfolios and make recommendation to senior management based on your analysis. You will also proactively monitor market developments, provide quarterly credit reviews and meet with borrowers, industry analysts and rating agencies. The ability to develop collaborative relationships within the organization and externally is critical in being a successful member of this team.

Qualifications:

Undergraduate degree with a specialization in Finance, Economics, or related discipline, supplemented by a minimum of 5 years related credit analysis experience, focusing on industry and company analysis. Candidates should have a through understanding of Canadian credits including asset backed securities. Enrollment in or completion of the Chartered Financial Analyst (CFA) and/or the completion of a related graduate degree is desirable. Advanced proficiency with Microsoft Excel, database applications, financial models, and investment applications (i.e. Bloomberg) is essential. Equivalencies will be considered. Consideration will also be given to hiring at the Analyst level (minimum 2-4 years experience) should a qualified Senior Analyst candidate not be found.

NOTE: Final candidates will be asked to undergo a security screening. This competition may be used to fill future vacancies.
