

CAREER OPPORTUNITY

Senior Equity Trader

AIMCo, Edmonton – Are you interested in a career in the investment management industry? Do you want to be located in Edmonton, Alberta at the centre of Canada's present and future economic engine?

AIMCo invests more than \$70 billion, on behalf of a number of public sector pension, endowment and special purpose funds, held across a wide variety of asset classes. AIMCo was formed as a crown corporation on January 1, 2008 and is committed to providing strong and consistent returns to our clients. If you have a passion for the investment industry and want to develop your career in a sophisticated, successful and innovative organization, AIMCo has the following career opportunity:

Senior Equity Trader - We're looking for someone with the right stuff to lead our equity trading desk. The Senior Equity Trader is responsible for the efficient execution of trades involving individual equities, options, index futures, swaps, and possibly currencies. The Senior Equity Trader is expected to employ both program/algorithmic and block trading techniques with the goal of managing implementation shortfall and controlling risk; as well as conduct pre- and post-trade analytics. Further, the Senior Equity Trader would be charged with designing and implementing short-horizon value-added traded strategies including, but not necessarily limited to, pairs trading, statistical arbitrage, and volatility trading. In addition, the Senior Equity Trader would manage AIMCo's equity trading infrastructure, technology, and processes and would supervise and mentor junior equity trading staff.

Qualifications: Applicants should have extensive investment industry experience, including substantial trading experience. Experience in managing value-added short horizon strategies is a definite asset. A related university degree is required. CFA Charterholders or those who have completed a post-graduate degree are preferred. The Senior Equity Trader will have proven skills in technical analysis, financial analysis, negotiation, critical thinking and problem solving. Also required are strong computer skills including a good working knowledge of Excel, Bloomberg, and other commonly used tools. Equivalencies will be considered.

NOTE: Final candidates will be asked to undergo a security screening. This competition may be used to fill future vacancies.

Location:	Edmonton
Salary:	AIMCo offers a competitive compensation package, including the potential for a performance based bonus.
