

JOB POSTING

Position: Financial Analyst
Location: Vancouver
Business Unit:
Department: Strategic Development
Reports to: Director, Strategic Development
HR Contact: Gabrielle.Hawkins@teekay.com

Position Summary

In Strategic Development, we focus on Teekay's worldwide growth by determining appropriate acquisitions and investments - and then executing and integrating them.

In this role, you will work with our Senior Management and Board of Directors in evaluating and executing our overall corporate strategy. You will perform and oversee various financial analyses to support investment decisions, examine acquisition targets, integrate new businesses, and generally provide strategic input into how Teekay should grow. You are more than just a number-cruncher, you are a blue sky thinker, team leader and business advisor.

This is a great opportunity to show your stuff, focus on details, work with our company leaders and ultimately have an impact on the way we do business!

Major Responsibilities

- You have an eye for detail and a talent for predicting the future! By managing Teekay's long term financial forecasts and projections, you will assist Senior Management in assessing what lays ahead, identifying challenges and opportunities and ensuring our business stays on track.
- You will act as a financial advisor to our Business units by performing various financial analyses such as business valuations, analysis of long-term charter proposals and vessel sale and purchase decisions. In short, your strategic input will guide the company's direction.
- You will help execute the deal! You will perform due diligence on potential acquisition opportunities, participate in negotiation strategies and assist with the integration of new businesses.
- Being part of the decision making team, you will work closely with our Senior Management and the Board of Directors. You will prepare materials for quarterly Board meetings, presentations for Senior Management and presentations for external parties such as commercial banks, rating agencies, and legal counsel.
- You bring sound quantitative skills, strategic thinking and business judgment along with humility, a good sense of humour and the ability to think innovatively and creatively. You are a team player who wants to make a difference.

Requirements (Knowledge, Skills & Abilities)

- Professional qualifications: CA, CGA and/or MBA, CFA, CBV
- Strong analytical and financial modelling skills, knowledge of valuation techniques and attention to detail.
- Proficiency with computer software including Excel, Power Point, and Word.
- Business curiosity, the ability to identify strategic issues and think outside the box.
- Strong written, verbal and presentation skills. Ability to communicate complex financial concepts in an understandable manner to non-financial personnel.
- Strong organizational skills and time management skills.
- A team leader with customer focus

JOB POSTING

- Willing to travel for projects.

Preferred

- Proven strengths in corporate finance, economics, and business development.
- Shipping industry experience
