

## **Manager, Financial Operations (Temporary)**

Gateway Casinos & Entertainment Inc. operates nine casino and entertainment properties in British Columbia and Alberta, Canada.

We are looking for an individual to fill a 12 month temporary position.

Reporting to the Director, Financial Operations, you will play a key role in analyzing financial operations, to ensure continuous improvements to margins. This position involves constant interaction with various departments and properties, focusing on maximizing cost efficiencies. Results from the analysis will be reported monthly to the Board and Senior Management team.

You will be part of the budgeting process, coordinating and analyzing the information from the various properties. This will involve reviewing key operational measures, and providing feedback.

Your role will manage the corporate insurance portfolio, addressing insurable risks and insurance claims. You will also manage corporate documents and review financial terms of proposed commercial contracts, to ensure business and finance objectives are addressed.

This is a great opportunity to work as a part of organization that is striving for best in class standards.

### **Requirements:**

- Financial designation
- 5 to10 years of related experience in financial analysis, preferably within an operations role
- Exceptional interpersonal and communication skills
- Extremely results-oriented; able to work to tight deadlines and to adapt to changing priorities
- Outstanding analytical skills and attention to detail
- Advanced Excel skills and intermediate PowerPoint skills are required
